# Smart Design

We like design.

And people who like design get us.

We will not embarrass your kids.

We cannot promise they will stay clean.

But we know it will all be okay. We are parents.

We are Nuna.

# Safety and Recommendations

**Please take note of the following before using the Nuna LEAF wind.**

Safety is very important to us and you can be assured that our products comply with the relevant standards and that they have been tested by a number of independent testing panels and laboratories.

The Nuna LEAF wind is a patented product and complies with ASTM F2088-13.

If you have any questions or comments regarding the Nuna LEAF wind, we will be glad to hear them our website at [www.nuna.eu](http://www.nuna.eu)

## IMPORTANT! RETAIN FOR FUTURE REFERENCE: READ CAREFULLY.

**Read all instructions before use of the LEAF wind and keep them for future reference. Your child's safety may be affected if you do not follow these instructions.**

**This product is intended for use from birth until the child can sit upright or reaches 40 lbs.**

**This product is not recommended for a child that can sit up unassisted (age around 6 months) and is unable to walk.**

## ⚠️ WARNINGS

**Failure to follow these warnings and instructions could result in serious injury or death.**

- ! Never leave the child unattended.
- ! Fall Hazard: Child's activity may move the unit. Use only on floor. Never use on counter tops, tables, steps, or any elevated surface.
- ! Do not use this product if any parts are torn, broken or missing.
- ! DO NOT use accessories or replacement parts other than those approved by the manufacturer.
- ! The product must only be used with the provided **power plug**.
- ! To avoid suffocation, remove plastic bag and packaging materials before using this product. The plastic bag and packaging materials should then be kept away from babies and children.
- ! Please use this electronic with the Nuna LEAF series.
- ! Children have strangled in cords. Keep the cord out of the reach of children.
- ! Do not use with an extension cord.

## Use LEAF wind

 Main Power OFF/ON    **+** **-** Swing Speed UP/DOWN

After plugging in the LEAF wind, press the main power button once to turn ON.

Note: "Nuna" logo will appear lit after initial plug in only.

Push the + or - buttons to adjust swing speed.

## Warranty and Service

Thank you for choosing Nuna! For replacement parts or warranty information, please contact customer service.

In the USA: **www.nuna.eu**  
**1-855-NUNA-USA**

All products include a serial label which lists the product model number and serial number. Before contacting customer service, please have these numbers available for reference. This product is covered by a limited one-year warranty from the date of purchase. If this product shows a defect in materials or workmanship during the warranty period, please contact Nuna. Please have the proof of purchase, model number and serial number available when you contact us.

To register your product, fill out and mail in the provided registration card or go to our website at **www.nuna.eu**.

## Cleaning and Maintenance

- ! The power plug used with the product is to be regularly examined for damage to the cord, plug, enclosure and other parts, and in the event of such damage, it must not be used.
- ! If the product is not in use for a long period of time, please store it in the shade where your child cannot access it.
